REGULATIONS, 2022**

**In exercise of the powers conferred on me by section 28 of the Money Laundering (Prevention and Prohibition) Act, No. 14, 2022 and section 95 of the Terrorism (Prevention and Prohibition) Act, No. 15, 2022, and all other powers enabling me in that behalf. I, ABUBAKAR MALAMI, SAN, Attorney-General of the Federation and Minister of Justice, make the following Regulations —**

[00th Day of November, 2022]

Commence-  
ment.

PART I — OBJECTIVES, SCOPE AND APPLICATION

1. The objectives of these Regulations are to —

Objectives.

(a) provide implementation guidelines for the registration and effective supervision of Designated Non-Financial Businesses and Professions (DNFBPs) ;

(b) make provisions for administrative sanctions for DNFBPs ;

(c) strengthen the existing system for combatting Money Laundering, Terrorism Financing and Proliferation Financing ;

(d) make provisions for developing sector specific guidelines for supervision of DNFBPs ; and

(e) make provisions for the development of strategies to enhance compliance culture for DNFBPs.

2. These Regulations cover the relevant provisions of the MLPPA, TPPA and any other relevant laws or regulations that provides for —

Scope.

(a) Anti-Money Laundering, Combating the Financing of Terrorism and Countering Proliferation Financing of Weapons of Mass Destruction (AML, CFT and CPF) Policy ;

(b) the development of Compliance Unit and functions ;

(c) the Compliance Officer designation and duties ;

(d) the requirement to co-operate with the competent or supervisory authorities ;

(e) the conduct of Customer Due Diligence ;

(f) monitoring and filing of suspicious transactions reports to the Nigerian Financial Intelligence Unit (NFIU) ;

## B 6

(g) filing of Currency Transaction Reports (CTRs) and Cash Based Transaction Reports (CBTRs) to the Special Control Unit against Money Laundering (SCUML) and other reporting requirements ;

(h) record keeping ;

(i) AML, CFT and CPF employee training ; and

(j) Administrative Sanctions.

Application. **3.** These Regulations apply to —

(a) DNFBPs as listed under section 30 of the Money Laundering (Prevention and Prohibition) Act, 2022 ; and

(b) other businesses and professions as may be designated by the Minister.

### PART II — DESIGNATION OF NON-FINANCIAL BUSINESSES AND PROFESSIONS

Designation  
of DNFBPs.

**4.**—(1) The businesses and professions listed under section 30 of the MLPPA and under the First Schedule to these Regulations shall continue to exist as Designated Non-Financial Businesses and Professions (DNFBPs) as it relates to AML, CFT, CPF obligations as prescribed in these Regulations.

(2) As from the commencement of these Regulations, the following businesses shall continue to exist as DNFBPs as it relates to AML, CFT, CPF obligations as prescribed in these Regulations —

(a) dealers in precious stones and metals ;

(b) dealers in real estate, estate developers, estate agents and brokers ;

(c) hospitality industry ;

(d) consultants and consulting companies ;

(e) construction companies ;

(f) importers and dealers in cars or any other automobiles ;

(g) dealers in mechanized farming equipment and machineries ;

(h) practitioners of mechanized farming ;

(i) mortgage brokers ;

(j) pool betting ; and

(k) lottery business including fixed odds, pari-mutuel, sports lottery (betting), and scratch card gaming and other forms of gaming.

(3) As from the commencement of these Regulations, the following professions shall continue to exist as DNFBPs in Nigeria as it relates to AML, CFT, CPF obligations as prescribed in these Regulations —

(a) law firms, notaries, and other independent legal practitioners ;

(b) accountants and accounting firms ;

(c) trust and company service providers ;

(d) tax consultants ; and

(e) estate surveyors and valuers.

5.—(1) The Special Control Unit Against Money Laundering (SCUML) shall be responsible for the registration, monitoring and supervision of the activities of DNFBPs in Nigeria in relation to Anti-Money Laundering, Combating the Financing of Terrorism and Countering Proliferation Financing (AML, CFT and CPF) pursuant to the provisions of MLPPA, TPPA, these Regulations and any other relevant law or regulations.

Registration and supervision of DNFBPs.

(2) Existing businesses and professions prior to the coming into effect of MLPPA shall register with SCUML within three (3) months from the date of commencement of MLPPA.

(3) New businesses and professions shall, before the commencement of business, register with SCUML.

(4) DNFBPs operating in the free trade zones in Nigeria shall register with SCUML and be subject to registration, conduct of customer due diligence and reporting obligations.

6.—(1) SCUML shall conduct entry control checks, as part of registration process of DNFBPs, to ensure that only fit and proper persons own and manage DNFBPs in Nigeria.

Entry Controls.

(2) DNFBPs shall comply with the entry control requirements applicable to their respective subsectors, as may be provided in guidelines issued by SCUML.

7.—(1) SCUML shall —

Role of SCUML.

(a) register and certify designated non-financial businesses and professions in Nigeria in accordance with the provisions of the MLPPA, other relevant laws, and applicable regulations ;

(b) monitor and supervise designated non-financial businesses and professions in accordance with the provisions of MLPPA, relevant laws and applicable regulations ;

(c) impose administrative sanctions to ensure compliance with MLPPA and these Regulations ;

(d) take necessary enforcement measures to ensure compliance with MLPPA, relevant laws and applicable regulations ;

(e) conduct off-site, on-site and on the spot checks, inspection of designated non-financial businesses and professions for the purposes of money laundering control, combating the financing of terrorism and countering proliferation financing ;

(f) establish and maintain a comprehensive database of DNFBPs in Nigeria ;

(g) receive Cash Based Transaction Reports (CBTRs) and Currency Transaction Reports (CTRs) from designated non-financial businesses and professions in accordance with the provisions of MLPPA ;

(h) sensitize designated non-financial businesses and professions of their responsibilities under MLPPA ;

(i) recommend to the Minister to designate as DNFBP, any other business or profession not listed under section 30 of MLPPA and First Schedule to these Regulations ; and

(j) perform other functions necessary to fulfill its responsibilities under the MLPPA or any other relevant laws and applicable regulations.

(2) The relevant Self-Regulatory Organisations (SROs) and Trade Associations, in consultation with SCUML, shall —

(a) develop internal compliance systems, and sensitization and training programmes for their members ;

(b) monitor members to ensure compliance with the MLPPA, TPPA and these Regulations ; and

(c) apply relevant sanctions on its members, including suspension, revocation or withdrawal of licenses of members for non-compliance with AML, CFT and CPF laws and regulations, subject to section 21 (1) and (2) of the MLPPA.

**PART III — OBLIGATIONS OF DESIGNATED NON-FINANCIAL BUSINESSES  
AND PROFESSIONS (DNFBPS)**

Compliance  
with existing  
laws and  
regulations.

**8.—(1)** Designated Non - Financial Businesses and Professions shall conduct their businesses in compliance with the provisions of the MLPPA, TPPA, these Regulations and other relevant laws and regulations.

(2) Subject to the provisions of section 11(4) of MLPPA, the reporting obligations of law firms, notaries and other independent legal professionals, audit firms, accountants and accounting firms shall arise where they render services to and carry out transactions for any client concerning —

(a) buying and selling of real estate within or outside Nigeria ;

(b) managing of client money, securities or other assets ;

(c) management of bank savings or securities accounts ;

(d) organization of contributions for the creation, operation or management of companies ;

(e) creation, operation or management of legal persons or arrangements and buying and selling of business entities ;

(f) acting as a formation agent of a legal person or entity ;

(g) acting as or arranging for another person to act as a trustee of an express trust or performing the equivalent function for another form of legal arrangement ; or

(h) acting as or arranging for another person to act as a director or secretary of a company, a partner of a partnership, or a similar position in relation to other legal persons, entities or arrangements ;

(3) For the purpose of these Regulations, the reporting and other compliance obligations of trust and company service providers, registered as trustees shall arise when —

- (a) acting as a formation agent of legal persons ;
- (b) acting as or arranging for another person to act as a director or secretary of a company, a partner of a partnership, or a similar position in relation to other legal persons ;
- (c) providing a registered office, business address or accommodation, correspondence or administrative address for a company, a partnership or any other legal person or arrangement ;
- (d) acting as or arranging for another person to act as a trustee of an express trust or performing the equivalent function for another form of legal arrangement ; or
- (e) acting as or arranging for another person to act as a nominee shareholder for another person.

**9.—(1)** Designated Non-Financial Businesses and Professions, shall establish AML, CFT and CPF programmes designed on a risk-based approach and integrate its customers or clients into its AML, CFT and CPF regime in order to monitor and ensure compliance.

Obligations to establish AML, CFT and CPF programmes

(2) The programme referred to in sub-regulation (1) of this regulation shall include —

- (a) internal policies, procedures and controls, based on the DNFBPs assessment of the ML/FT/PF risks associated with its business and designed to reasonably anticipate and prevent money laundering, terrorist financing and proliferation financing ;
- (b) Customer Due Diligence ;
- (c) application of due diligence proportionate to the identified risk ;
- (d) appointment of a Compliance Officer ;
- (e) establishment of an Internal Audit Unit to ensure compliance with the AML, CFT and CPF programme ;
- (f) rendition of CTRs to SCUML ;
- (g) rendition of Cash Based Transaction Reports (CBTRs) to SCUML ;
- (h) rendition of Suspicious Transactions Reports (STRs) on ML, TF and PF to the NFIU in compliance with the provisions of section 7 of MLPPA and section 84 of the TPPA ;
- (i) regular training and retraining for its employees ;

**B 10**

(j) record keeping, preservation, retrieval, and communication of records in accordance with the provisions of section 8 of MLPPA ;

(k) centralisation of information collected ; and

(l) initiating or putting in place counter measures proportionate to identified risks.

(3) DNFBPs shall ensure that their employees, agents and others doing business with them understand the AML, CFT and CPF programmes.

(4) DNFBPs shall take measures to implement targeted financial sanctions in line with the provisions of MLPPA, TPPA and other relevant laws and regulations.

(5) DNFBPs shall promptly comply with requests for information made by SCUML and other relevant Authorities pursuant to section 9 of MLPPA.

(6) DNFBPs shall design comprehensive training programmes for board members (where applicable), management and staff to establish full awareness of their obligations and also to equip them with relevant skills required for the effective discharge of their AML, CFT and CPF obligations.

(7) The timing, coverage and content of the employee training programme shall be designed to meet the needs of the DNFBP to ensure compliance with the requirements and provisions of these Regulations.

(8) DNFBPs shall provide comprehensive training programmes for employees, compliance officers and as part of the orientation programme for new employees and those posted to the front office and branch offices.

(9) An AML, CFT and CPF training programme shall be developed under the guidance of the Compliance Officer in collaboration with senior Management.

(10) The basic elements of the AML, CFT and CPF training programme of DNFBPs shall include —

(a) AML, CFT and CPF Laws and Regulations ;

(b) the nature of ML, TF and PF offences ;

(c) ML, TF and PF ‘red flags’ and suspicious transactions, including trade-based money laundering typologies ;

(d) reporting requirements;

(e) Customer Due Diligence ;

(f) risk-based approach to AML, CFT and CPF ; and

(g) record keeping and retention policy.

(11) DNFBPs shall submit their annual AML, CFT and CPF employee training programme to SCUML at the beginning of each year not later than 31st March of the year.

**10.—(1)** DNFBPs shall in the course of their business activities, identify and report to the NFIU, any suspicious transaction relating to the following criminal activities —

Predicate offences to money laundering.

- (a) participation in an organized criminal group ;
- (b) racketeering, terrorism, terrorist financing ;
- (c) trafficking in persons, smuggling of migrants, sexual exploitation, sexual exploitation of children ;
- (d) illicit trafficking in narcotic drugs and psychotropic substances ;
- (e) illicit arms trafficking, illicit trafficking in stolen goods ;
- (f) corruption, bribery, fraud, currency counterfeiting ;
- (g) counterfeiting and piracy of products, environmental crimes ;
- (h) murder, grievous bodily injury ;
- (i) kidnapping, hostage taking, robbery or theft ;
- (j) smuggling (including in relation to customs and excise duties and taxes),
- (k) tax crimes (relating to direct taxes and indirect taxes) ;
- (l) extortion, forgery, piracy ;
- (m) insider trading and market manipulation ; and
- (n) any other criminal act specified in the Act or any other law in Nigeria including any act, wherever committed in so far as such act would be an unlawful act if committed in Nigeria.

(2) In these Regulations, terrorism financing offences —

(a) extend to any person or entity, within or outside Nigeria, in any manner, who, directly or indirectly, and willingly provides, solicits, acquires, collects, receives, possesses, or makes available, property, funds or other services or attempts to provide, solicit, acquire, collect, receive, possess or make available, property, funds or other services with the intention or knowledge, or having reasonable grounds to believe that it will be used, in full or in part to finance any act of terrorism, terrorist or terrorist group in line with relevant sections of TPPA ; and

(b) are predicate offences for money laundering and shall apply regardless of whether the person or entity alleged to have committed the offence is in the same country or a different country from the one in which the terrorist or terrorist organization is located, or the terrorist act occurred or will occur.

**11.** DNFBPs shall —

- (a) adopt a risk-based approach in the identification and assessment of ML, TF and PF risks in line with relevant laws and regulations ;
- (b) take appropriate steps to identify, assess and understand ML, TF and PF risks for their customers, countries or geographic areas of operations, services, products and delivery channels ;

Identification, assessment and management of ML, TF and PF risks.

## B 12

(c) have policies, controls and procedures approved by their management to mitigate identified risks ;

(d) monitor the implementation of the policies, controls and procedures referred to under paragraph (c) of this sub-regulation ; and

(e) apply enhanced measures to manage higher risks and simplified measures to manage lower risks.

Cooperation with regulators and law enforcement agencies

**12.** DNFBPs shall —

(a) cooperate with regulators and law enforcement agencies in the implementation of a robust AML, CFT and CPF regime in Nigeria ;

(b) render statutory reports to appropriate authorities as required by law ; and

(c) guard against any act that may cause a customer or client to avoid compliance with the AML, CFT and CPF legislation.

### PART IV — COMPLIANCE RESPONSIBILITIES

Board of directors of DNFBPs.

**13.—**(1) The board of directors shall be responsible for providing leadership and direction in the management of ML, TF and PF compliance risks.

(2) The board of directors shall approve the issuance of compliance guidelines or manuals on AML, CFT and CPF.

(3) The compliance guidelines or manuals issued under sub - regulation (2) of this regulation shall be reviewed periodically.

(4) The board of directors shall oversee the implementation of the policies contained in the compliance guidelines or manuals.

Designation and duties of compliance officers.

**14.—**(1) DNFBPs shall designate Compliance Officers at management level with the relevant competencies, authority and independence to implement their AML, CFT and CPF compliance programmes.

(2) A Compliance Officer shall —

(a) develop the compliance strategy, policy, structure and processes ;

(b) implement the DNFBPs AML, CFT, CPF compliance initiatives and programmes; report periodically on AML, CFT, CPF compliance matters to management ;

(c) report non-compliance and other potential risk exposures to management immediately and establish prompt mechanisms for resolutions ;

(d) collaborate with stakeholders and other regulators for the development and implementation of compliance programmes ;

(e) enhance the AML, CFT and CPF compliance culture in the DNFBP through the —

(i) development of appropriate compliance awareness programmes ;

(ii) training of employees in AML, CFT and CPF awareness, detection methods and reporting requirements ;

(f) ensure the implementation of AML, CFT and CPF regulatory requirements into operations regulations ;

(g) ensure that all the new and existing AML, CFT and CPF regulations, guidance and directives are communicated to employees ;

(h) identify and assess the ML, TF and PF risks that may arise in relation to the development of new products and new business practices ;

(i) monitor day to day compliance with applicable AML, CFT and CPF laws and regulations ;

(j) receive and vet transaction reports from employees ;

(k) assist the Chief Compliance Officer, where applicable, in organizing AML, CFT and CPF regulator reports ; and

(l) serve as a liaison officer between the DNFBP and regulators.

(3) Where a DNFBP operates more than one business location or branch, it shall designate a Chief Compliance Officer at the Head Office at management level.

(4) The Chief Compliance Officer designated pursuant to sub-regulation (3) of this regulation shall —

(a) coordinate the identification, assessment and management of compliance risks ;

(b) supervise the work of Compliance Officers and compliance functions of the DNFBP ;

(c) ensure continuous training of Compliance Officers on AML, CFT and CPF ; and

(d) serve as a liaison officer between the DNFBP and regulators.

**15.—(1)** Employees of a DNFBP shall —

Employees  
of DNFBP.

(a) adhere to the AML,CFT and CPF compliance policy guidelines of the DNFBP ;

(b) conduct businesses in accordance with applicable AML,CFT and CPF laws, regulations and corporate policies ; and

(c) maintain the highest ethical standards in the performance of their duties.

(2) Employees shall not provide advice or other assistance to individuals or institutions who attempt to violate or evade anti-money laundering, counter-terrorist financing and counter proliferation financing laws, regulations and corporate policies.

(3) Employees shall not disregard signs disclosing that a customer seeks to engage in a relationship or transaction other than for a lawful purpose.

## B 14

(4) Employees shall avoid conflict of interest in establishing relationships with individuals or entities who may pose ML, FT and PF risks to the DNFBP.

Design and implementation of comprehensive AML, CFT and CPF training programmes.

**16.**—(1) DNFBPs shall design and implement a comprehensive AML, CFT and CPF training programmes to —

(a) make employees aware of their obligations under the AML, CFT and CPF laws and regulations ; and

(b) equip the employees with relevant skills required for the effective discharge of their AML, CFT and CPF compliance tasks.

(2) DNFBPs shall develop and implement the appropriate training for employees to keep pace with the dynamism of money laundering, terrorism and proliferation financing challenges.

(3) The employee training programme shall be developed by the AML, CFT and CPF Compliance Officer under the directive of management.

(4) The training programme referred to in sub-regulation (3) of this regulation shall include —

(a) a description of the nature and processes of money laundering, terrorist and proliferation financing, including new developments, emerging trends, techniques and methods in ML, TF and PF ;

(b) an overview of legal obligations contained in the relevant laws ;

(c) reporting requirements ;

(d) customer due diligence ;

(e) enhanced customer due diligence on high risk persons ;

(f) risk-based approach to AML, CFT and CPF ;

(g) record keeping ;

(h) general understanding of the AML, CFT and CPF policy and procedures ;

(i) verification and recognition of suspicious customer transactions; and

(j) reporting suspicious transactions to the NFIU.

(5) For the purposes of ensuring maximum compliance with the training requirements on current AML, CFT and CPF laws and regulations, employees of DNFBPs shall undergo at least, one AML, CFT and CPF training in a year.

Independent testing and controls.

**17.**—(1) DNFBPs shall perform regular independent testing to —

(a) assess the adequacy of the AML, CFT and CPF policies and programmes ; and

(b) review the AML, CFT and CPF policies to enable the entity identify gaps and deficiencies.

(2) The independent testing requirement shall be performed —

(a) internally, by the internal audit department or unit ; or

(b) externally, by a consultant appointed by the DNFBP's AML, CFT and CPF procedures.

(3) DNFBPs shall carry out on a regular basis, independent review of their AML, CFT and CPF programme.

(4) The independent review of the AML, CFT and CPF programme of a DNFBP referred to in sub-regulation (3) of this regulation may be performed by —

(a) its internal audit and inspection departments where they have the requisite AML, CFT and CPF knowledge or experience ; or

(b) qualified and experienced AML, CFT and CPF consultant, appointed by the DNFBP.

(5) The Audit Report shall specifically comment on the robustness of the internal policies, controls and processes, and make constructive suggestions, where necessary, to strengthen the policy and implementation.

**18.—**(1) DNFBPs shall ensure that information, document or data collected under the customer identification process are kept up-to- date and relevant by undertaking regular reviews of existing records, particularly the record in respect of higher risk business relationships or categories of customers.

Record keeping of documents or data collected under the customer identification process.

(2) DNFBPs shall maintain necessary records of transactions, both domestic and international, for at least five years, following completion of the transaction.

(3) The provisions of sub-regulation (2) of this regulation shall apply regardless of whether the transaction or business relationship is on-going or has been terminated.

(4) The records of transactions required to be maintained by DNFBPs under sub-regulation (2) of this regulation shall include —

(a) the risk profile of each customer or beneficial owner ;

(b) the data obtained through the customer due diligence process including the name, address, National Identification Number (NIN), nature and date of the transaction ;

(c) the type and amount of currency involved ;

(d) the identifying number of any account involved in the transaction ;

(e) official identification documents, including International Passports, National Identity Cards issued by National Identity Management Commission (NIMC), Driver's License issued by Federal Road Safety Corps (FRSC), or Voter's Card issued by Independent National Electoral Commission (INEC) ;

(f) business correspondences ; and

**B 16**

(g) result of any analysis undertaken on documents or records listed in this sub-regulation.

(5) DNFBPs shall implement specific procedures for retaining internal records of transactions, both domestic or international, to ensure swift compliance with information requests from the competent authorities, and such records shall be sufficient to permit reconstruction of individual transactions, including the amounts and types of currency involved so as to provide, where necessary, evidence for the prosecution of criminal activities.

(6) Where the records relate to on-going investigations or transactions which have been the subject of a disclosure, the DNFBPs shall retain the records for a period of at least five years after the case has been closed.

Sanctions screening.

**19.** DNFBPs shall —

(a) screen their customers and customer transactions in line with United Nations Consolidated List and Nigeria Sanctions List to ensure that proscribed individuals and entities do not have control and access to DNFBPs whether directly or indirectly ;

(b) without delay, implement targeted financial sanction in relation to terrorism financing and proliferation financing, as provided under the TPPA and Regulations ; and

(c) report to the NFIU without delay, any assets frozen or action taken, in compliance with the United Nations Security Resolutions and other successive resolutions.

Risk assessment framework.

**20.**—(1) DNFBPs shall, in collaboration with SCUML, periodically assess the ML, TF and PF risks inherent in their systems and develop measures to safeguard the DNFBPs from being used to launder proceeds of crime, terrorism financing or proliferation financing.

(2) The risk assessment referred to in sub-regulation (1) of this regulation shall be conducted on customers, products or services, geographical locations and delivery channels to ensure that the identified risks are properly mitigated.

(3) DNFBPs shall adopt risk-based approaches that are commensurate with the specific risks of ML, TF and PF identified in the risk assessment.

Classification of customers.

**21.** Prior to establishing business relationship with prospective customers, DNFBPs shall —

(a) carry out a formal assessment on the customer and classify them as either “high”, “medium” or “low” risks ; and

(b) where applicable, deploy —

(i) simplified due diligence, for low-risk customers,

(ii) standard due diligence, for medium risk customers, or

(iii) enhanced due diligence, for high-risk customers.

**22.—(1)** DNFBPs shall take appropriate measures to prevent the misuse of technological developments in ML, TF and PF schemes including the use of —

- (a) internationally accepted credit or debit cards ; and
- (b) mobile telephone banking systems.

(2) DNFBPs shall have policies and procedures in place to address specific risks associated with non-face-face business relationships or transactions.

**23.—(1)** DNFBPs shall verify the identity of a customer, beneficial-owner and occasional customer before or during the course of establishing a business relationship or conducting transactions with them.

(2) DNFBPs shall complete the verification of the identity of a customer and beneficial owner following the establishment of business relationship, only where —

- (a) an acceptable time span for obtaining satisfactory evidence of identity is determined by the nature of the business, the geographical location of the parties and whether it is possible to obtain the evidence before commitments are entered into or the transactions is consummated ;
- (b) it is essential not to interrupt the normal business conduct of the customer such as non-face-to-face business transactions ; or
- (c) the money laundering, terrorism financing or proliferation financing risks can be effectively managed.

(3) DNFBPs shall, upon coming into contact with a client, obtain identification to —

- (a) agree with client to carry out an initial transaction; or
- (b) reach an understanding, whether binding or not, with the clients to carry out future transactions.

(4) Where the client fails to supply the required information as stipulated in sub-regulation (3) of this regulation, the DNFBPs shall —

- (a) discontinue the business activity, and
- (b) without delay, file an STR to the NFIU.

(5) Where a client, customer or a beneficiary is permitted to utilise the business relationship prior to verification, the DNFBPs shall adopt risk management procedures concerning the conditions under which this may occur.

(6) The conditions referred to in sub-regulation (5) of this regulation shall include —

- (a) a limitation of the number, types, or amount of transactions that can be performed ; and

New technology, and non-face-to face transactions.

Timing of verification.

(b) the monitoring of large or complex transactions being carried out outside the expected norms for that type of relationship.

Failure to complete customer due diligence.

**24.**—(1) DNFBPs shall not carry out any transaction, in the event of failure or inability to —

- (a) complete verification of relevant information or data; or
- (b) obtain information on the purpose and intended nature of the business relationship.

(2) A DNFBP that has already commenced a business relationship under sub-regulation (1) of this regulation shall terminate the business relationship and render an STR to the NFIU.

Application of customer due diligence measures on existing customers.

**25.**—(1) DNFBPs shall apply customer due diligence measures on existing customers on the basis of risks, taking into account whether customer due diligence measures have previously been undertaken and the adequacy of data obtained.

(2) The appropriate time to conduct customer due diligence on existing customers is where —

- (a) business transaction of significant value, in relation to customer’s profile, takes place ;
- (b) the DNFBPs becomes aware that it lacks sufficient information about an existing customer ; or
- (c) a suspicious transaction occurs.

On-going due diligence.

**26.** DNFBPs shall perform on-going due diligence on all business relationships, and —

- (a) monitor and verify all requested changes to the business relationship ;
- (b) monitor changes or transactions inconsistent with the profile of the customer or beneficial owner ; and
- (c) review the transactions to determine if there are unusual or suspicious reasons to terminate the relationship, and file and send STRs to the NFIU.

Complex transactions.

**27.**—(1) DNFBPs shall monitor complex or unusually large transactions, and unusual patterns of transactions that have no apparent economic justification or visible lawful purpose.

(2) The background and purpose of the transactions referred to in sub-regulation (1) of this regulation shall as far as possible, be examined, the findings established in writing, and any suspicion made available to the NFIU.

## PART V — CUSTOMER DUE DILIGENCE MEASURES

- 28.**—(1) DNFBPs shall put in place customer due diligence (CDD) measures, which shall be monitored by a chief compliance officer. General principles of customer due diligence.
- (2) DNFBPs shall conduct customer due diligence on a risk sensitive basis to ensure that limited resources are focused on the higher risk accounts or transactions.
- (3) Where a DNFBP is dealing with an agent or an intermediary in a business relationship, it shall ensure that it obtains accurate information on the ultimate beneficial owners and related parties in the business relationship or transaction.
- 29.** Standard due diligence shall be conducted for all customers, where a — Standard customer due diligence.
- (a) new business relationship is established ; and
- (b) customer carries out occasional cash transactions in excess of \$1,000 or its equivalent.
- 30.**—(1) Where a business relationship or transaction is, upon the conduct of a risk assessment, determined to be low risk, the DNFBPs shall apply reduced or simplified measures. Simplified due diligence measures.
- (2) Under this regulation, low risk shall be identified in circumstances where —
- (a) the risk of money laundering, terrorism financing or proliferation financing is lower ;
- (b) the identity of the customer and the beneficial owners of the transactions or the business relationship is publicly available ;
- (c) adequate checks and controls exist elsewhere in national system ; or
- (d) the volume transacted in the business relationship or transaction is considered low.
- (3) The simplified customer due diligence measures shall not apply to a customer where there is suspicion of ML, TF and PF.
- 31.**—(1) Enhanced due diligence measures shall apply where the transaction or business relationship is deemed to be high risk in nature. Enhanced due diligence measures.
- (2) Enhanced due diligence shall be conducted for all customers, where —
- (a) there is a suspicion of ML, TF or PF ;
- (b) the DNFBP has doubts about the veracity or adequacy of previously obtained customer identification data ;
- (c) there are reasonable grounds to suspect that the amount involved in a transaction is the proceeds of a crime or an illegal act ; or

(d) a customer or the beneficial owner of a customer is a politically exposed person.

(3) Where higher risk of ML, TF and PF is identified, the DNFBPs shall apply a higher level of monitoring measures on such transactions in line with the provisions of MLPPA, TPPA and these Regulations.

Reliance on third parties.

**32.**—(1) DNFBPs may rely on third parties to —

(a) identify a customer and verify that customer’s identity using reliable independent source documents, data or information ;

(b) identify a beneficial owner and take reasonable measures to verify the identity of the beneficial owner ;

(c) understand and obtain information on the purpose and intended nature of the business relationship ; and

(d) conduct due diligence on the business relationship and scrutiny of transactions undertaken throughout the course of that relationship to ensure that the transaction being conducted are consistent with the institution’s knowledge of the customer, their business and risk profile, including, where necessary, the source of funds.

(2) Where a DNFBP relies on a third party to conduct CDD, the responsibility for the outcome of the CDD measures shall be with the DNFBP.

Relationship with anonymous or fictitious customers.

**33.**—(1) DNFBPs shall not establish business relationship with anonymous or fictitious clients, customers or persons.

(2) DNFBPs shall take appropriate measures to identify and know the customer, client or person they are dealing with, through —

(a) an established customer due diligence policies ; and

(b) clear, written and risk based client or customer acceptance policies and procedures, which provisions shall include dealings with different client or customer profiles.

(3) DNFBPs shall —

(a) identify a customer, whether existing or occasional, natural or legal person, or any other form of legal arrangements, using identification documents as prescribed in relevant laws and regulations ;

(b) verify the identity of the customer using reliable, independent source documents, data or information ; and

(c) identify the beneficial owner and take reasonable measures to verify the identity of the beneficial owner using relevant information or data obtained from a reliable source such that the DNFBP, is satisfied that it knows who the beneficial owner is.

(4) In this regulation “reasonable measures” includes visitation to the address provided by the customer to verify its authenticity.

**34.—(1)** DNFBPs shall comply with beneficial ownership verification and reporting obligations for persons holding significant shareholding or exercising control on the DNFBP in accordance with sections 119 to 123 of Companies and Allied Matters Act.

Beneficial ownership.

(2) DNFBPs shall identify and verify the beneficial owners when transacting with legal persons or legal arrangements, where a legal person or legal arrangement is a significant shareholder in a corporate entity transacting with a DNFBP.

#### PART VI — MANDATORY TRANSACTION REPORTS

**35.—(1)** Where the conduct of additional due diligence activities may lead to an unintentional tip - off to the customer, beneficial owner, or other subjects, the DNFBP shall file an STR to the NFIU, pursuant to section 7 (2)(c) of MLPPA.

Suspicious transaction reports.

(2) A director, officer and employee of a DNFBP, who discloses to a customer or beneficiary that an STR or any other related information is to be reported, or has been reported to the NFIU commits an offence and is liable on conviction to the penalty provided under section 7(10) of MLPPA.

(3) DNFBPs shall ensure that there is a clear procedure for staff to report suspicious transactions involving ML, TF and PF without delay to the NFIU.

(4) Suspicious transactions, including attempted transactions, shall be reported to the NFIU regardless of the amount involved, and the report shall include any action taken on the suspicious activity by the DNFBP.

(5) DNFBPs shall adhere to the reporting format provided by the NFIU and develop internal procedures for the purpose of filing confidential STRs to the NFIU.

(6) In these Regulations, “Suspicious Transaction” includes —

(a) a transaction which is unusual because of its size or volume, type or pattern ;

(b) a transaction which is suggestive of known money laundering methods ;

ABUBAKAR MALAMI, SAN  
*Honourable Attorney-General of the Federation  
and Minister of Justice*

EXPLANATORY NOTE

*(This note does not form part of these Regulations but  
is intended to explain its purport)*

These Regulations seek to provide implementation guidelines for the registration and effective supervision of Designated Non-Financial Businesses and Professions (DNFBPs), make provisions for administrative sanctions for DNFBPs, strengthen the existing system for combating money laundering, terrorists financing and proliferation financing against weapons of mass destruction, make provisions for developing sector specific guidelines for supervision of DNFBPs, and develop and enhance compliance culture and strategy for DNFBPs.
